Gardner Sends Troops to Mines.

Jefferson City, Mo.—Governor Gardner has ordered a detachment of state troops from the Seventh Regiment of National Guards at Kansas City to proceed to the coal mine district in Barton county to preserve order. The troops left Kansas City.

The troops are under command of Capt. Roger Davis. Adj. Gen. Clark said he possibly would not go to Barton county at all.

Both Governor Gardner and the adjutant general were exceedingly reticent about the necessity of troops being sent to Barton county, saying that the destination of the troops will be very close to the coal fields in the Pittsburg (Kan.) district, where troops now are quartered while volunteers are trying to operate the mines.

Governor Gardner gave out a brief statement with the admonition that he would have nothing more to say and that there would be no use to apply to him later for any additional information. His statement follows:

In view of conditions existing in the mining district of Barton county, Mo., which adjoins Crawford county, Kan., where the disorders have occurred and troops now are on duty, and for the purpose of preserving law and order and protecting life and property in such county, I have directed the adjutant general to send troops to Liberal, Minden and other mining points therein. The troops used will be taken from the Seventh Missouri Infantry at Kansas City.

Sherley, of Moody, have been notified that they will receive the \$10,000 government insurance of their son, Jesse Frank Sherley, who was killed in France October 14, 1918. Although young Sherley assured his parents that he had made the necessary application for government insurance when he went into service, officials of the bureau reported, after his death, that the application could not be found. The matter was taken up through the local Red Cross officials.

Shot Through Head; Is 94.

Harris Prairie, Mo.—George Level celebrated his 94th birthday. His health is good and he has a splendid memory. He is one of the few Mexican War veterans yet living. He was born in Virginia in 1825. In 1846 he enlisted in a Virginia regiment and went to Mexico. In a battle near National Bridge, 75 miles south of Vera Cruz, he was shot in the left eye by a minie ball, which passed through his head and lodged in his neck. The ball was removed and is still in his possession.

Mason for 62 Years.

Fulton, Mo.—Having read November 27 an article about Judge J. Will Graves, of Clifton Hill, Mo., as the oldest mason in the state of Missouri, R. H. Fowler of this city said: "I can go him one better. I was initiated in Concord Lodge, No. 154, at Concord, Mo., in April, 1857. So I had been a Mason 62 years last April. I am enjoying reasonably good health and work six days every week."
